*Pilgrimage of the Movements and the Lay Associations
to the Tomb of the Apostle Peter*

Rome, May 18-19, 2013

We have attached with this note the **PROGRAM** and the **REGISTRATION FORM** for groups wishing to participate in the *Pilgrimage of Movements, Associations, and Lay Association* to be held from May 18-19.

Information regarding participation:

1 – Every ecclesial organization must make the arrangements for its institution's participation in the May 18-19 event. This means that each organization must designate a central head to collect the applications from all of its members. It is only the central head of each organization who will then contact the Organizing Secretariat of the *Year of Faith* with all of the required data for each person registered. This central head will also provide the Organizing Secretariat with all of the necessary travel information for those coming from outside of Rome. This process will allow for an efficient coordination of those pilgrims coming to Rome.

2 – All of the data requested on the REGISTRATION FORM must be collected.

3 – The registration deadline is **Sunday, April 7, 2013**. After this date, applications will no longer be accepted.

4 – The **Organizing Committee** which has prepared the Event Program has asked that a **contribution** of a participation fee be made at the time of registration in the amount **€ 3 per person**. This contribution fee will help to offset the costs of organizing the event.
